

The Graduation Ceremony of “Cathay Pacific I Can Fly 2019”

“Cathay Pacific I Can Fly 2019”, is a community program that has, for the past 16 years, provided a platform for enthusiastic Hong Kong students to gain valuable insights into the aviation industry so that they can eventually help to give back to the community. The Graduation Ceremony was held on 1st September 2019.

This year, we are proud to have had 2 passionate students (2018-19 S.6A Louis and Johnny) participate in a series of engaging aviation- and social service-related activities. Since March 2019, they have embarked on a journey of personal development under the guidance of Cathay Pacific pilots and employee volunteers, along with a variety of exciting, supportive organizations. The program concluded in August 2019.

We have witnessed the growth and hard work of both participants and their achievements have been recognized by the invaluable support we have received from all the parents and teachers who have contributed to the success of this program.
