

10th Anniversary of RHS Mentorship Program

On 12 July 2019, a festive gathering was held at ClubONE in Quarry Bay. Hundreds of guests, including our fathers, principal, teachers, students, and alumni all come together to celebrate the eventful evening. The Rosaryhill School Old Students Association Mentorship Program was the thread connecting all our guests. The program was conceptualized over a decade ago by Mr. Edward Ng, the President of RHSOSA and after some refinement and approval by the then Supervisor, Fr. Francisco de las Heras, the RHSOSA Mentorship Program was officially launched in the school year 2009-2010. The mentorship program aims to expose students to diverse future paths and provide students with the necessary skills and knowledge to make decisions on their own. Over the last 10 years, the school's Life and Career Planning Team have worked closely with our alumni mentors, providing guidance and long term support to more than 260 students. The evening gathering is the proof of the strong bonds that exist between our mentors and mentees.
